Mr. Brandon Callier,

I, Daniel Hacker, have no current affiliation with TEXANA BANK, NA CORPORATION, and LENDING 3, INC., nor did I at the time of the above referenced occurrence. Although I have previously informed the aforementioned bank of a similar error made previously, this is now the second errant request of this nature that has been made of me. Any listing of my name or address in current association with this bank is false and inaccurate. Please allow this response to also serve as notice of my formal request to cease any further communication with me regarding this company and that any and all parties addressed, remove my name from any local, state, or federal authority that has TEXANA BANK, NA CORPORATION, and LENDING 3, INC. currently associated with Daniel Hacker of 113 Tedworth Ct, Longwood, Florida 32779.

Cordially,

 2/21/22

Daniel Hacker
